**FGC317 Certificate 3 in
Fisheries Officer
Operations**

NATIONAL FISHERIES COLLEGE

*A course for Fisheries Officers
requiring essential skills to
carry out their roles effectively
in areas of authority.*

**Training Specialists for the
PNG Fishing Industry**

Course Contents

Qualification will be designated to those Provincial Fisheries Officers who have successfully completed Certificate 2 in Fisheries Officer Operations. This will also target Provincial Fisheries Officers requiring greater knowledge of the fishing industry besides compliance legislation.

The qualification will have application for people working:

- For a regional, government or local authorities in the Fishery Industry

Course Duration

- 10 weeks

Entry Requirements

- Completion of Certificate 2 in Fisheries Officer Operations
- After completing studies, either tertiary or vocational studies with some vessel skills.

Course Venues

- Courses are delivered in Kavieng at the National Fisheries College.

Enrolment Procedures

- Applicants should complete and return the application on the back of this brochure.
- Provincial Fisheries Offices may seek entry on behalf of Aquaculture farmers or persons willing to enter the industry and applicants from their work force where required.
- Other requirements as required under NFC Policies and Procedures will be made known upon request.

Course Fees

- Contact National Fisheries College for information regarding fees.

Course Rules

- The National Fisheries College has Rules by which all Trainees should abide by once they are accepted for training at the NFC. These Rules act as a deterrent so each Trainee can concentrate on learning and acquiring skills rather than concentrate on unnecessary activities that do not assist with a Trainees learning on Campus.

Course Assessment

- All courses for fishing vessel crew and seafood industry workers are based on agreed industry competency standards .
- The competency standard include general knowledge and practical assessment.
- Validation on all assessment will be done when a course is completed.

Job Role Qualification

Certificate III will be designated for those PFOs who have completed the Certificate II level course and or those PFOs requiring greater knowledge of the fishing industry besides compliance legislation

Job role

A person operating at this level will be knowledgeable in all basic fisheries aspect of the industry
