

NATIONAL FISHERIES AUTHORITY

PUBLIC NOTICE

**THE NATIONAL MARINE AQUARIUM FISHERY IS NOW OPEN FOR
LICENSE APPLICATIONS**

This notice serves to inform all Marine Aquarium existing operators, domestic retailers, interested investors and the general public that the NFA is now accepting License applications for the Marine Aquarium Fishery.

In accordance with the recently gazetted National **Marine Aquarium Fishery Management and Development Plan 2022 [No. G611]**, all persons or entities involved in the trade of marine aquarium species must now obtain a license in order to trade in this fishery.

For license application enquiries, please contact **Mr Leban Gisawa- Executive Manager for Licensing & Data Management Unit** and **Mr Thomas Usu, Executive Manager for Fisheries Management Unit** on **3090444**.

Authorized by:

Mr. Justin Ilakini
Managing Director
