NATIONAL FISHERIES COLLEGE

FGC4EC17 Certificate 4 in
Fisheries Officer
Operations
(Enforcement & Compliance)

*A course for Fisheries Officers
requiring essential skills to
carry out their roles effectively
in areas of authority.*

Training Specialists for the
PNG Fishing Industry

Course Contents

This qualification covers areas of importance to the development of the fisheries sector. It covers general fisheries operations and details of enforcement and compliance. It is highest skills level for individuals embarking in this pathway.

The qualification will have application for people working:

- For a regional ,government or local authority in the Fishery Industry

Course Duration

- 10 weeks

Entry Requirements

- Completion of Certificate 3 in Fisheries Officer Operations
- Formal request or letter from the administration of the Provincial Government for Senior Fisheries Officers.

Course Venues

- Courses are delivered in Kavieng at the National Fisheries College.

Enrolment Procedures

- Applicants should complete and return the application on the back of this brochure.
- Successful completion of Certificate 3 with all units / competencies marked COM by the trainer and assessor.
- Other requirements as required under NFC Policies and Procedures will be made known upon request.

Course Fees

- Contact National Fisheries College for information regarding fees.

Course Rules

- The National Fisheries College has Rules by which all Trainees should abide by once they are accepted for training at the NFC. These Rules act as a deterrent so each Trainee can concentrate on learning and acquiring skills rather than concentrate on unnecessary activities that do not assist with a Trainees learning on Campus.

Course Assessment

- All courses for fishing vessel crew and seafood industry workers are based on agreed industry competency standards .
- The competency standard include general knowledge and practical assessment.
- Validation on all assessment will be done when a course is completed.

Qualification covering areas of importance in Enforcement and compliance

Job role

Officer with this qualification will be working as an enforcement officer with a fisheries organisation
